TAX BILL INCREASES

The Southside Electric Cooperative paid $166,612 in personal property taxes to local governments included in its service area in 1975. The gross receipts tax paid to the state of Virginia amounted to $355,000. The total tax bite on your cooperative by local and state governments amounts to $521,612 for 1975. This is an increase of $100,000 over 1974.

Nottoway County, where the Cooperative office and material storage is located, received $34,900 in taxes from the Cooperative. Other counties and amount of tax received from the Cooperative are as follows, Dinwiddie$19255; Campbell $14,781; Lunenburg $14,132; Bedford $13,304; Brunswick $10,584; Powhatan $9,669 Amelia $9,3000 Prince Edward $6,559; Pittsylvania $4,596; Appomattox $4,112; Chesterfield $2,848; Cumberland $2,845 Mecklinburg $681; Sussex $410; Prince George $105; Buckingham $100;Halifax $56. Cities and towns that have annexed served by Southside Electric Cooperative also benefit by tax revenue. Town of Crewe receiverd $4,636; Town of Hurt $147; City of Petersburg $114; and Town of Blackstone $30.

$90,000 of the $100,000 tax increase went to the State of Virginia in gross receipts tax. Since the gross receipts tax is on total revenue the majority of the $90,000 increase was a result of tax on the fuel adjustment associated with member-consumers electric bills.

Greenery and glitter, turkey and treats, love and laughter, that's what holidays are made of. Hope your Christmas is the best!
